President's Corner

Dear Fellow Gardeners,

What a joyful time of the year! Everywhere you look you see an array of blooming flowers with a backdrop of green shrubs and plants. It is just a beautiful time of the year!

RCGC will hold its **Annual Meeting via Zoom on June 25, 2021 at 10 AM**. Detailed information will be sent to garden clubs in the next few days. Be sure to join us!

I have great news ~ the Church of the Epiphany has reopened its doors and the Council will hold its first meeting of the year there on September 10, 2021.

I hope that you have been enjoying the Speaker Series of Video Presentations. Recently we posted the video "Spring Is Here" by Jane Godshalk who is an internationally known floral designer and teacher. It is a great video - well worth the time to watch!

The Council now has a total of five video presentations and we have received great feedback on this series. If you have not watched all of the videos, then please do so. The nice thing about having the videos on our website (rvagardenclubs.org) is that you may want to watch some of them more than once. They are loaded with great design techniques.

Last year Barbara Hollister and Jane VanDenburgh did a great job of putting the video series together so that we could offer our clubs on-line programs during the pandemic. And now, this dynamic duo is working on in-person programs for the 2021-2022 programs.

I do have sad news to share. Doris Crowell a long-time member of the Chester Garden Club passed away at the age of 93. There will be a Celebration of Life Service on June 23 at 11 AM at the Chester Methodist Church.

I hope you have an enjoyable summer!

Sincerely,
Linda

June
